*Re: Oakmont Condominiums  
Little Canada, Minnesota 55117*

*The Board of Directors of Oakmont Condominiums would like to commend Sela Roofing and the entire crew that recently completed the roof replacement at their Association.*

*All of those involved worked hard, displayed a great attitude, were very polite and helpful at all times. The convenience and comfort of the Oakmont residents was of utmost importance to the crew and it was very much appreciated. Working areas were left clean every day and efforts to minimize disturbances were evident.*

*The Board of Directors would highly recommend Sela Roofing to anyone looking for a high quality and professional company.*

*Sincerely,*
